

JOCO CRUISE 2022 FAMILY SEATING / FIXED DINNER SEATING REQUEST FORM

THIS FORM IS OPTIONAL

The default dinner seating arrangement for the JoCo Cruise is “open seating.” That means that you can sit at a different table every night with different people. It can be a great way to meet new folks! This form is only for people who have a specific request with regards to their dinner seating.

If you are traveling with younger children and wish to be seated near others with younger children, you will want to use this form to let us know. Even if you don’t want “fixed seating” (at the same table with the same people each night), letting us know that you would like to have a designated area for you and others to choose seats near each other helps us determine how many tables to dedicate.

There are a number of reasons why you might not want to participate in “open seating” at all.

- You have a food allergy or dietary restriction and it would be helpful to have the same waiter each night to help ensure that your needs are properly met. (If this is the case, please see [our FAQ \(https://jococruise.com/faq/#i-have-medical-dietary-or-other\)](https://jococruise.com/faq/#i-have-medical-dietary-or-other) about it.)
- You have friends or family in other cabins and want to ensure that you can sit with them every night.
- You just don’t want to.

We don’t need to know why. You can just fill out this handy form! **And if none of the above apply to you, then you don’t need to fill out this handy form at all!**

SECTION 1: FAMILY SEATING AREA REQUEST

In previous years some families with young children who wanted to sit with/near other families at dinner requested we set aside a (non-mandatory) "Family Seating" area in the dining room. If you wish your table to be in this Family Seating area **WHETHER OR NOT YOU DESIRE "FIXED SEATING,"** please select the checkbox below. (This will help us determine how much space to set aside for the Family Seating area.)

Yes, our booking would like to be in the Family Seating area

SECTION 2: FIXED SEATING REQUEST

Please fill out the below section if you wish to have the same, dedicated table every night during your dinner seating. This is especially recommended for people with any dietary restrictions.

You'll be notified what table number you've been assigned to, and you should sit at this table each night at dinner.

PLEASE NOTE: If you wish to sit with other specific people, please confirm with them that you are all in the same dinner seating (early or late).

I am requesting Fixed Seating for

- Everyone in my booking**
- Only certain people in my booking want Fixed Seating**

Seating Preference:

Please select a seating preference. If you leave this section blank, we will assume you do not care one way or the other.

The JCC Home Office will do our best to accommodate your preference, pending availability; we may not be able to accommodate all couples wishing to be seated by themselves.

- Sit us at our own table with nobody else**
- Assign us to a table with other random Fixed Seating passengers**

Assign us to a table with specific other passengers

We do not care one way or the other
