

JoCoCruise 2022 Maker's Exchange

What is the Maker's Exchange? It's an on-boat opportunity for people who make things to show off the things they make and trade goodies with other creators of all types! These can be hand painted, sculpted, draw, crocheted, knitted, etc., or they can be design objects that have been printed through a secondary source such as glasses, t-shirts, pins, stickers, temp tattoos, etc. They don't have to be handmade, but they must be original creations, and reflect the talents of you fabulous Joconauts.

2022 signups close 21 January 2022

After sign-ups have closed, you will be assigned gift recipients, and asked to make items for these people. Please Note: the people you give to might not be the ones you receive from -- giving you the opportunity to meet more makers and see more amazing creations! This exchange will happen at a specified meetup on the cruise, so that you have the opportunity to meet each of your fellow makers and hand-deliver the fancy goods you've created!
