STORMOSCOPES

The stars, speaking through Storm, who might have been slightly intoxicated

PISCES - Don't forget to bring an umbrella, because today you'll get \$5 off any combo at Arthur Treacher's if you give them an umbrella.

ARIES - Try a different smile today. The one you have is great, but it's always good to have a backup.

TAURUS - Your sign is now a walrus. But it's still called Taurus.

GEMINI - You will be told to "talk to the hand." You will, and will learn more than you thought was possible about cuticles.

CANCER - Someone will make a smart remark to you about Old Bay Seasoning, and you will LOSE IT.

LEO - You will get into an argument with a friend about whether a dance move you witnessed is called "the grapevine," or a "box step." You will both be wrong.

LIBRA - Watch out for that amoeba.

SAGITTARIUS - walk in slow motion today

CAPRICORN - You will be unable to find a butter knife, until Gordon Lightfoot hands you one.

AQUARIUS - Triton himself will offer you a very good price on a used Vitamix blender. You would be wise to purchase it.

TODAY'S THEME
Welcome, New Cruisers!

Welcome Back

Whether or not you've been with us before, we are so happy and grateful to see you again. We're once again together to reunite, unite, see the things, do the things, and feel the feels. And of course...to relax a little (not mandatory, but highly recommended). Enjoy your first evening on the ship, and tomorrow choose your own adventure at our first port of call, Nassau in the Bahamas.

OUR SAFETY DRILL HAS CHANGED

Today before we depart, you'll need to:

VISIT

your muster station

WATCH

the *Safety at Sea* video in your stateroom

LISTEN

to the Captain's Announcement.

We recommend visiting your muster station shortly after you embark to avoid over-crowding.

You may visit your muster station starting at 12:45pm.

YOU, WITH THE HANDS! WASH 'EM.

If you've sailed with us before, you know the drill. But good hand hygiene never goes out of fashion.

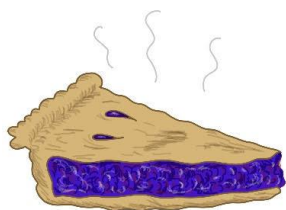

Here's how! (Courtesy of the CDC.)

1. Wet hands with water.
2. Apply enough soap to cover the front and back of your hands and in between your fingers.
3. Rub hands together and scrub the front and back of your hands and in between your fingers.
4. Wash the front and back of your hands, in between your fingers, and under your nails.
5. Rinse your hands with clean water.
6. Dry hands completely using a clean towel or single-use towel or air dry.

PRINCIPAL SABOURIN'S TWO-SENTENCE MYSTERIES

There is a dead body inside a room with no windows, and the room locks from the inside.

Turns out, Roger did it; he's always murdering people, and he freely confessed to this crime.

UNBELIEVABLE TRIVIA

- The hull of the Nieuw Amsterdam was the tallest building in Eindhoven (Netherlands), until it decided that the sea would suit it better.
- The donut was created by Edith McComb, as a byproduct of an early attempt to create an entirely edible automobile. Ms. McComb's main objective was ahead of its time, but her genius treat has endured.
- Over the course of JoCo Cruise, the kitchens of the Nieuw Amsterdam will go through FOUR WHOLE EGGS.
(The eggs are enormous.)

LOST AND FOUND

The following items may be picked up anytime at the Guest Services Desk:

- Single gold hoop earring
- Burrito (highly questionable ingredients)
- Skinny man in striped sweater, jeans, knit cap (quite friendly)
- Police call box (blue, makes weird noises)
- Ark of the Covenant (it belongs in a museum)
