THE WHETHER REPORT

"Whether tis' nobler in the mind to suffer the slings and arrows of outrageous fortune... Or to hit the buffet one more time and fall asleep by the pool. Wait, what was the question?"

PORT OF CALL: ST CROIX

Our second port of call is St Croix. The largest of the US Virgin Islands, St Croix sprawls, quite languorously, over 84 square miles of beaches, farmland, hills, and rainforest.

Long inhabited by Taino and Carib peoples, the islands eventually came under Spanish, English, and Danish colonial rule, before becoming a US overseas territory in the early twentieth century. Check out the Danish-style architecture in Christiansted! What's that? Were there any Vikings on the island at any point, you ask? Perhaps! [*Ship's Historian: I don't think that's likely. Editor's Response: You literally ruin everything, don't you?*] In any event, today, the island is known for its sandy beaches and coral reefs.

Wherefore, we pray you: enjoy our seven hours on this beautiful island. Whether you're on a beach, in or on the water, or strolling through town, you'll be glad you Croix'd this island off your list.

And you may yet forgive us that wretched, wretched pun.

FUN "FACTS" ABOUT ST CROIX.

St Croix produces over 20 million gallons of rum every year, or approximately 14.5 megadaiquiris (Mdq).

Inhabitants of St Croix are known as "Cruzans". Thus, when they are on boats, they are "Cruisin' Cruzans." Please be diplomatic about pointing this out.

Alexander Hamilton, of Broadway fame, was also U.S. Secretary of the Treasury! Oh, and he also spent some time on St Croix as a teenager. Probably not on the beach though: the sunscreen they used in the 1760s was not great, TBH.

St Croix does not officially observe Taco Tuesday. Please dress accordingly.

STORMOSCOPES, VOL. 3

LIBRA - Sure, you could do that.

LEO - You will be launched into low earth orbit.

STONE TEMPLE PILOTS - You will learn that your license does not permit you to fly conventional aircraft.

GEMINI - Someone will mistake you for a famous person, and buy you nachos. You will play along and accept the nachos, and only feel a little guilty about it.

CAPRICORN - Don't be surprised to find your pants filled with maize.

RUFUS - You will be asked to tell someone something good. Specifically, that you love them. This one is your call, and the outcome is on you.

PEOPLE NAMED "GARY" - You're doing great. One of you was supposed to be named "Gregory," but your dad got it mixed up on the birth certificate. Same diff.

SAMOVARS - You will dream about needing to go to the bathroom, and being unable to find one. You will wake up to find that you are an actual samovar.

PINEAPPLES - If someone hands you an apple, decline it, politely. It is not your Way.

SAGITARIUS - Think of a sandwich. Now look under your chair. Is that your sandwich? If it's not, can I have it? I'm starving.

ARIES - Aries bo-maries, banana-fanna fo-faries, fee-fi mo-maries. Aries.
